About Sarthak

Sarthak Foundation reaches out to children and youth between the ages of 3 and 21 years belonging to very marginalised and poor, rural and urban communities to take inclusive, happy education along with skilling right to their door step.

What began with 6 children in 2013 has expanded to around 6000 beneficiaries located in 5 districts - spreading across 20 slums and 70 villages in Uttar Pradesh.

Our projects are:

- Yellow Rooms

Miguel and In3Corp Team often visit the children at Yellow Rooms. They were overwhelmed to see the children grow into compassionate and loving individuals.

Ladies Circle India conducted a fun-filled workshop on Macrame Art. One of our students, Saba (in picture) decided to use her new crafting skills to create something for others and turn it into a small business opportunity. #shoplocal

Mr. Nalin Sachdeva and Ms. Renu Sachdeva from UdayREP Foundation join hands to strengthen the quality of Yellow Rooms by installing Televisions and CCTV cameras. UdayREP supports community-level projects that uplift lives.

Ladies Circle India organised an eye check-up camp and free spectacles distribution for children of Wabtec Yellow Rooms and the community.

SPPGIDMS, Lucknow, conducted a dental check-up camp at Karam Yellow Rooms. They are regularly conducting camps at Yellow Rooms to help children and families maintain dental health and hygiene.

Yellow Rooms help children to practice their skills and bring opportunities that aid them in earning a livelihood. Suraj and Ayushi are excellent artists and they recently were invited to participate in an art exhibition.

Our flagship fitness event Happy Feet was conducted at our favourite Lohia Park. Happy Feet promotes a healthy lifestyle and incorporates fitness as a natural part of children's lives. Golden Tulip and Sarovar Portico joined the event with full spirit and also arranged a scrumptious meal for children afterwards.

The felicitation of Class 12 students was one of the key highlights.

Our heart is overjoyed to see such enthusiastic participation by children, supporters and the team.

Sarthak Yellow SLATEs

(Sciences, Languages, Arts, Theater and Ethics)

This year, we bring our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

The aim is to improve upon children's foundational literacy & numeracy, digital literacy and communication skills/expressions/confidence while also imparting good moral values and improving their cultural awareness.

We have prepared a custom curriculum called Naitik Shiksha that will use stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We will deliver this using the medium of theatre and storytelling.
