About Sarthak

Sarthak Foundation takes happy and inclusive education, skilling and socio-emotional well-being right to the doorsteps of marginalised children and young adults between the ages of 3 and 21 years.

What began in 2013 with 6 children under a tree has now grown to include more than 6000 children spread across 20 slums, 70 villages, and 5 districts of Uttar Pradesh.

VBEYOND CORPORATION

We express our gratitude to VBeyond Corporation for their contribution in breaking the silence surrounding menstrual hygiene management and raising awareness. Their efforts extend beyond awareness campaigns, as they actively distribute free sanitary napkins to girls and women in the community, turning it into a comprehensive and impactful initiative.

YOUNG INDIA, LUCKNOW

As a strong step towards ensuring the safety of our children, a fruitful session on the topic of 'Good Touch Bad Touch' was organized by Young India, Lucknow. The objective was to help children identify safe and unsafe touches and also understand what to do when they experience an inappropriate situation, whether at home or in public.

Highlight of the Month

KARAM PN INTERNATIONAL

The children of Yellow Rooms had the wonderful opportunity to meet and interact with Ms. Kavita Nigam, Chief Human Resource Officer at Karam PN International. During her visit, she engaged with the children and shared her journey, imparting the valuable lesson that dreams can be achieved through hard work and ambition. She also taught the children about the importance of honesty, emphasizing that people should always tell the truth.

RELIANCE BAZAAR

Three of our children, Sanjana, Divyanshi, and Aman, secured a one-week internship at Reliance Bazaar. The children were eager for the training opportunities that would give them an early start in their professional careers.

Round Table India Sarthak Gurukul

Gurukul is a model rural school that incorporates all the elements of Sarthak Yellow Rooms into the formal school structure. The school offers marginalized children from poor rural backgrounds, equitable, happy, gender-sensitive, value-based, and digitally aided formal education at a very low cost.

The school is attended by 680 children from 70 villages.

STEM workshop at Gurukul

A workshop was organized for children and teachers to leverage STEM (Science, technology, engineering, and mathematics) learning in Gurukul.

Gurukul offers equal opportunities for STEM education, encouraging critical thinking, problem-solving, technology and coding skills, among children from villages.

Parent Teacher Meet at Gurukul

Gurukul PTMs are vibrant and interactive affairs that bring children, parents, and teachers together. The purpose of these meets is to encourage children's development and facilitate collaborative activities that help unfold their potential and assist them in dealing with stress during exams.

Yellow SLATEs

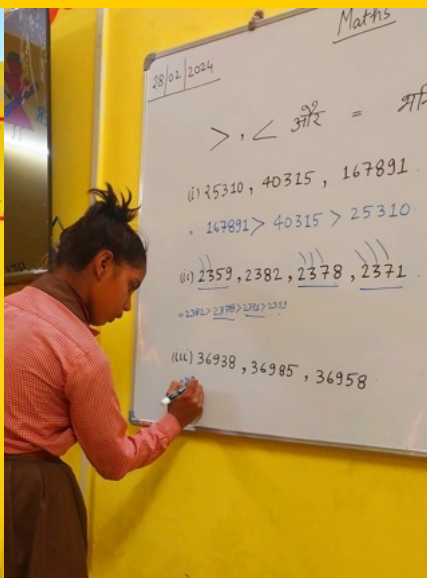

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

Last year, we took our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

Yellow SLATEs uses the medium of theatre and digital learning to improve upon children's foundational literacy and numeracy, while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
