Moment of the month!!!

Sarthak Family gets bigger!!!

We warmly welcome *The Hans Foundation* to our family. With their support we are going to open 7 new Yellow Rooms and 3 new Yellow SLATEs.

Each of these will become a beacon of hope, empowering children with the gift of quality education.

We are very pleased to announce that VBeyond Corporation and Let It Count are also joining our family and will support Yellow Rooms in Lucknow.

63 slums were surveyed in Lucknow and 9 were short listed.

About Sarthak

Sarthak Foundation takes happy and inclusive education, skilling and socio-emotional well-being right to the doorsteps of marginalised children and young adults between the ages of 3 and 21 years.

What began in 2013 with 6 children under a tree has now grown to include more than 6000 children spread across 20 slums, 70 villages, and 5 districts of Uttar Pradesh.

In our recent Educators training program, we aimed to equip educators with essential skills to create dynamic and engaging classrooms. From effective classroom management strategies to innovative approaches for handling attendance, our goal was to empower teachers to cultivate an environment where every student feels valued and motivated to learn.

Additionally, we emphasised the importance of moral education, recognising its integral role in shaping well-rounded individuals.

Highlight of the month

Congratulations to Manisha and Anupam!!

Manisha and Anupam from Dollar Donation Club - Yellow Room, Sitapur, secured a District Sitapur Income based merit scholarship 2024 of INR 48,000 each as top 8 finalists! NEW

Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

Last year, we took our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

Yellow SLATEs uses the medium of theatre and digital learning to improve upon children's foundational literacy and numeracy, while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
