Highlights  
of the  
month

# July has been a month of warmth and growth!

With new members joining and dedicated supporters enhancing our mission.

We were thrilled to welcome Ms. Chandni Tandon from **The Hans Foundation**, who came for a visit and brings new possibilities. During her visit to Yellow Rooms they engaged deeply with our team and children. We were also able to share our work done till date.

Building strong relationships and maintaining open communication are the core pillars of Sarthak's success.

Parul has been a friend and supporter of Sarthak, her love and dedication for us extends to her entire family. She travelled from Dubai with her children to visit us.

Their visit, was filled with heartfelt interactions and interactive lessons in the Yellow Rooms beautifully captured the essence of Sarthak's mission.

Our team had an incredible time with the In3corp team, led by Miguel Zavala! Thirty team members visited Sarthak and had engaging interactions and exchanges.

Miguel and in3corp have been loyal supporters of our mission for years, offering unwavering support.

# One Big Family 🌍

Deepali Mark, a valued mentor and career counsellor, recently conducted an inspiring session on career opportunities for the children of Yellow Rooms.

Her invaluable expertise helps guide them toward brighter futures, and her warmth and affection are evident in every interaction.

## Warmth & Care

We are truly fortunate to have Rajat Poddar with us on this long-standing association with Yellow Rooms goes beyond supporting education. He is committed to the overall well-being of our children. During the recent visit to a Yellow Rooms, he generously gifted each child a new pair of foot-wears, making meaningful impact on their lives.

CII-YI has consistently educated children on traffic rules and the principles of being a good Samaritan, helping them become well-rounded citizens.

CII-YI conducted a dental checkups at Yellow Rooms communities. It mobilizes both children and their families, advancing community health together.

# Round Table India Sarthak Gurukul

Gurukul is a model rural school that incorporates all the elements of Sarthak Yellow Rooms into the formal school structure. The school offers marginalized children from poor rural backgrounds equitable, happy, gender-sensitive, value-based, and digitally aided formal education at a very low cost.

The school is attended by more than 800 children from 70 villages.

Gurukul enters its 7th year introducing a powerful initiative of “Student Agency” to enhance our children’s education and growth. We empower children through quality learning, sports, and a holistic environment, that helps nurture mindful, sensitive, and thriving individuals.

Gurukul’s journey would not have been so transformational without the unwavering support and encouragement of RK Sir, Round Table India, and Finastra. Their commitment has been our greatest source of inspiration and strength. Together, we continue to light the path to a brighter future for every child at Gurukul.

7 years!

**Akash—the name itself soars with promise.**

Akash, a determined boy from a small village, has made an extraordinary leap by securing two prestigious scholarships in a single year—one at Central Academy through the Shreeta Scheme and another at Sainik School.

Akash's achievements are remarkable, but his true strength lies in his grounded nature and steadfast commitment to his community. He is an active member of the Animal Management Committee at Gurukul. During the lockdown, he taught younger children from nearby villages and continues to support his family. His journey is a powerful testament to his relentless dedication, boundless potential, and profound kindness towards all beings.

**Brilliance matched by an even bigger heart!!!**

# Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

Last year, we took our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

Yellow SLATEs uses the medium of theatre and digital learning to improve upon children's foundational literacy and numeracy, while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
