Moment of the month

We're glad to announce that Sarthak Foundation has been re-certified under FCRA registration. FCRA helps us connect with organisations and individuals overseas who are interested in joining the cause.

FCRA

About Sarthak

Sarthak Foundation takes happy and inclusive education, skilling and socio-emotional well-being right to the doorsteps of marginalised children and young adults between the ages of 3 and 21 years.

What began in 2013 with 6 children under a tree has now grown to include more than 6000 children spread across 20 slums, 70 villages, and 5 districts of Uttar Pradesh.

Highlight of the month

Sarthak completes 11 incredible years of love, care and compassion. Huge thanks to our amazing supporters and team for making this journey possible. Here's to many more years of success and making a difference together!

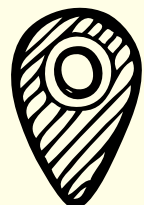

11 Years Strong

We are immensely happy to be part of such an amazing team that has made the Foundation what it is today. This fabulous team has always shown up with a smile and brought so much value to the lives of children.

We are overjoyed to have our children join our team as full time employees and interns. Our Yellow Rooms girls Neha Rawat, Ayushi Gautam and Neha Tharu are now part of Sarthak office team.

A day well celebrated!!

Yellow Rooms

Happy safe spaces for all the children living in a slum, running programs and classes every day, all year round.

Yellow Rooms Festivites

Sarthak 11 years completion and Holi

Our Founder address Yellow Rooms on completing 11 years

Children celebrated Sarthak's 11th anniversary.

Over the past 11 years, moments of joy, reflection, and gratitude have filled our days. Seeing children so positive and hopeful has been incredibly rewarding.

ASER Assessment

ASER (Annual Status of Education Report) is one of the most significant assessment tools used by Yellow Rooms. It helps identify key learning gaps and, more importantly, provides valuable lessons to create a more resilient learning structure for children.

Corporate and Organisational Involvement

Uttar Pradesh Police

We are so thankful to UP Police for interacting with children and explaining to them their rights, duties, and the role of the police department. The children were sensitized to the facets of law-abidance and methods of reporting crime.

Young India, Lucknow

Young India, Lucknow, conducted a session and shared essential knowledge and insights on entrepreneurial skills. The sessions encouraged children to become resilient, develop risk-taking abilities, and learn from mistakes. They learned about the challenges of today and tomorrow.

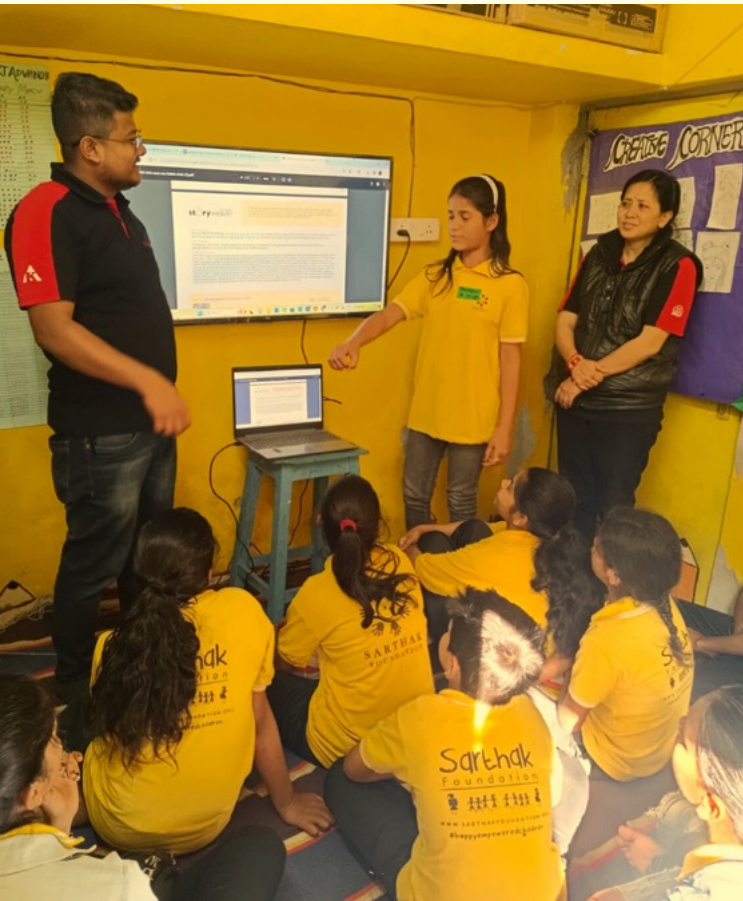

Young India, Lucknow

Young India Lucknow raised awareness among YellowRooms children on #RoadSafety through their program #ChotaCop. Their unique learning and awareness program helped children understand basic road safety rules and the discipline required on roads.

Karam P N International

Karam India conducted a storytelling session based on our Naitik Shiksha curriculum. Karam prioritizes employee engagement, empowering them to contribute to a stronger society. Their ongoing involvement with Yellow Rooms helps children develop essential skills and fosters an inclusive society.

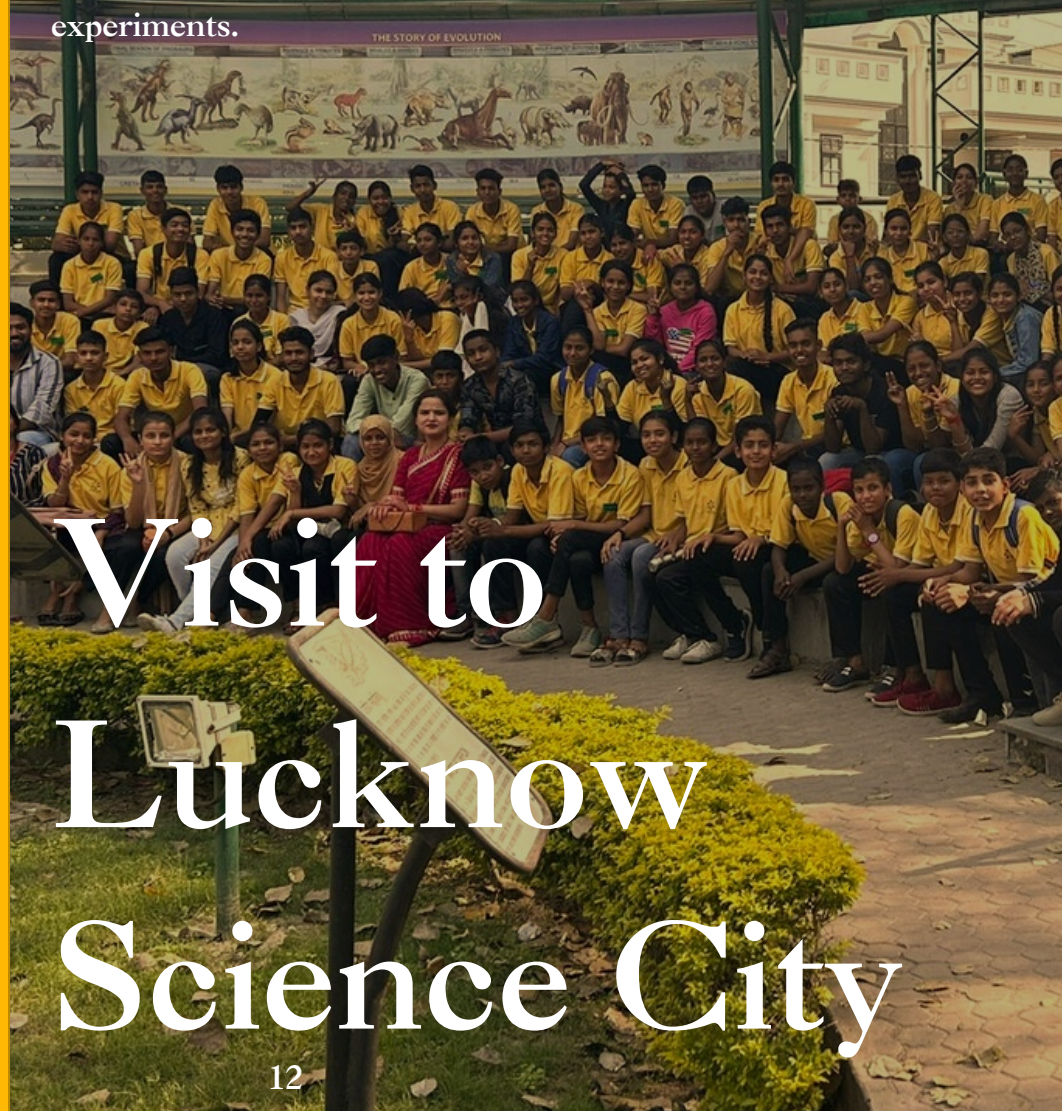

Jaipuria Lucknow

On the occasion of International Women's Day, Seth Anandram Jaipuria School extended their support to Sarthak by distributing sanitary napkins to the girls in our Yellow Rooms.

A trip to Science City is a part of the Yellow Rooms STEM (Science, Technology, Engineering, Mathematics) learning program. Science City in Lucknow is an excellent destination to explore the role of science in our daily lives. Children enjoyed the science exhibits and had fun trying the interesting experiments.

Visit to Lucknow Science City

Round Table India Sarthak Gurukul

Gurukul is a model rural school that incorporates all the elements of Sarthak Yellow Rooms into the formal school structure. The school offers marginalized children from poor rural backgrounds equitable, happy, gender-sensitive, value-based, and digitally aided formal education at a very low cost.

The school is attended by 680 children from 70 villages.

NEW

Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

Last year, we took our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

Yellow SLATEs uses the medium of theatre and digital learning to improve upon children's foundational literacy and numeracy, while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chittrakatha. We deliver this using the medium of theatre and storytelling.

Locations

1. Upper Primary School (Composite) Barail, Barabanki, Uttar Pradesh.

Supported by: The Morimura Fund

2. Composite School Badigaon, Shahjahanpur

3. Composite School, Adarsh Nagar, Shahjahanpur

Supported by: Wabtec Corporation

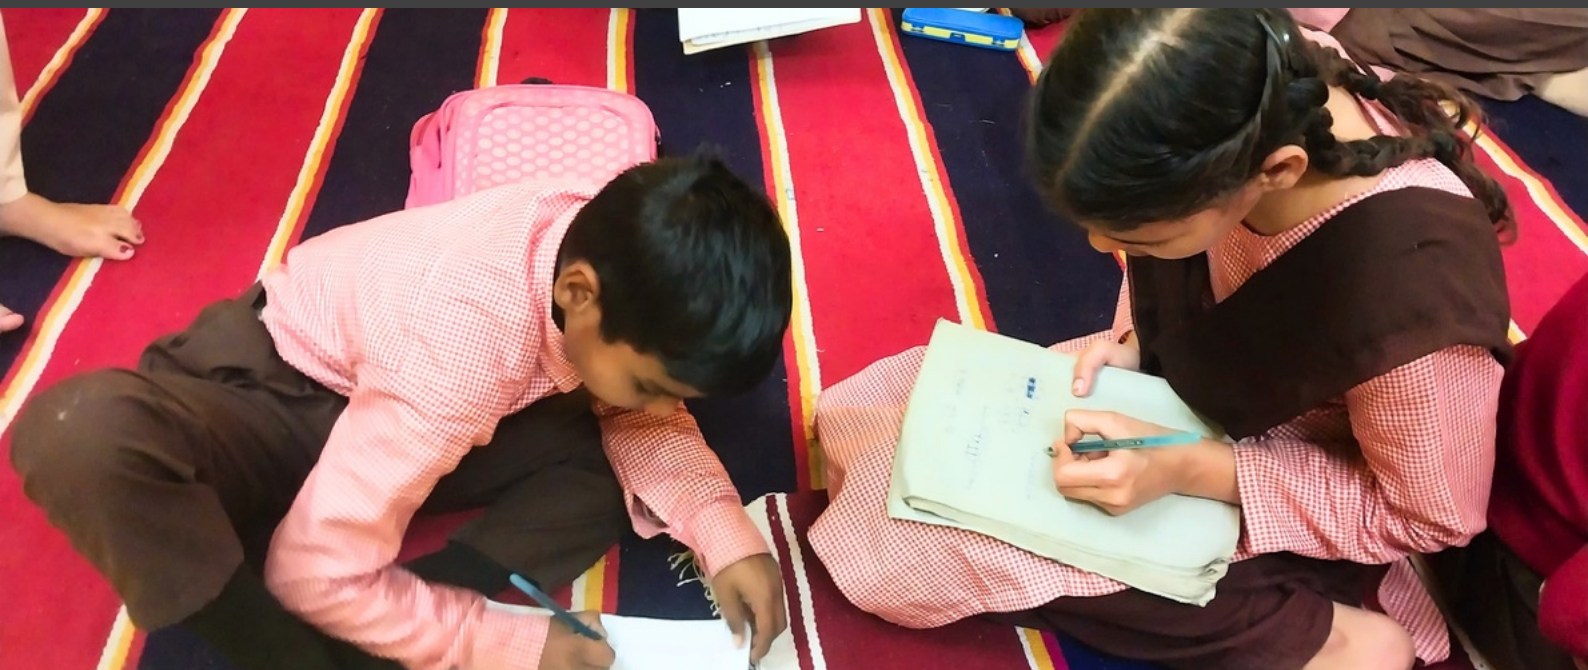

The Yellow SLATEs curriculum has a special focus on equity and inclusiveness particularly regarding gender. Gender workshops are a part of the curriculum, helping to sensitize young children to develop gender-equitable attitudes and behaviors.
