# Sessions and Visits

We are excited to share the highlights from our recent Bioclues session for kids at Yellow Rooms! This interactive and educational event was designed to ignite curiosity and a passion for science in our young learners.

The children from Ismailganj Yellow Rooms had an amazing time visiting Science City! They had fun exploring, participating in quizzes and games, and even earned certificates for their efforts. It was a day full of learning and excitement, sparking their curiosity and love for science.

The children had an amazing day exploring Lucknow Zoo with members of Atlassian! They enjoyed interacting with the volunteers and learned so much about biodiversity during the visit. It was a fantastic experience filled with fun and education.

Dr. Pallavi and her team from Sarsawati Dental College conducted a dental camp and Tobacco awareness session at Gandhi Nagar Yellow Rooms on World No Tobacco Day on 31st May. The children and community members were sensitized about the harmful impact of Tobacco and the importance of oral hygiene.

# Community Outreach

In Yellow Rooms PTMs families are encouraged and guided to enrol in Ayushman Bharat scheme that assures health coverage for children and families.

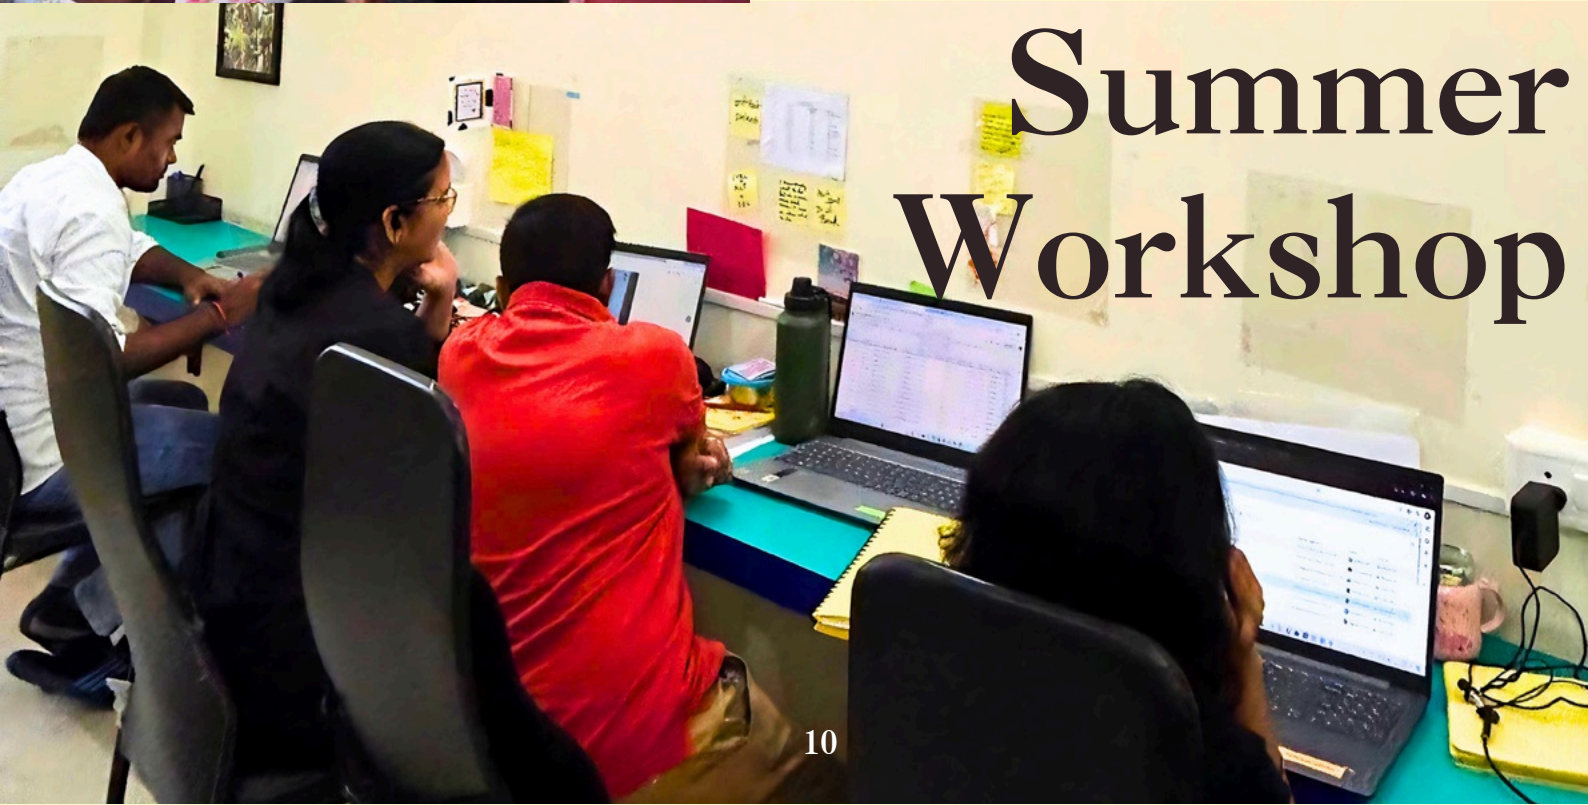

By fostering open dialogue, PTMs create a collaborative environment where parents actively engage with educators, gaining insights into their child's progress and needs.

An enriching training session was held to prepare educators for Summer Workshop.

The team has thoughtfully designed engaging and informative activities for children and is ready to deliver Happy Summers to children!

# Yellow SLATEs

Sarthak Yellow SLATEs (Sciences, Languages, Arts, Theater and Ethics)

Last year, we took our Yellow Rooms model into the government school system of UP. We call this project - Yellow SLATEs.

Yellow SLATEs uses the medium of theatre and digital learning to improve upon children's foundational literacy and numeracy, while also imparting good moral values and improving their cultural awareness.

We have come up with a custom curriculum called Naitik Shiksha that uses stories from Indian sources such as Jaatak Kathaein, Panchatantra, Hitopadesh and Amar Chitrakatha. We deliver this using the medium of theatre and storytelling.
