Women

Leadership

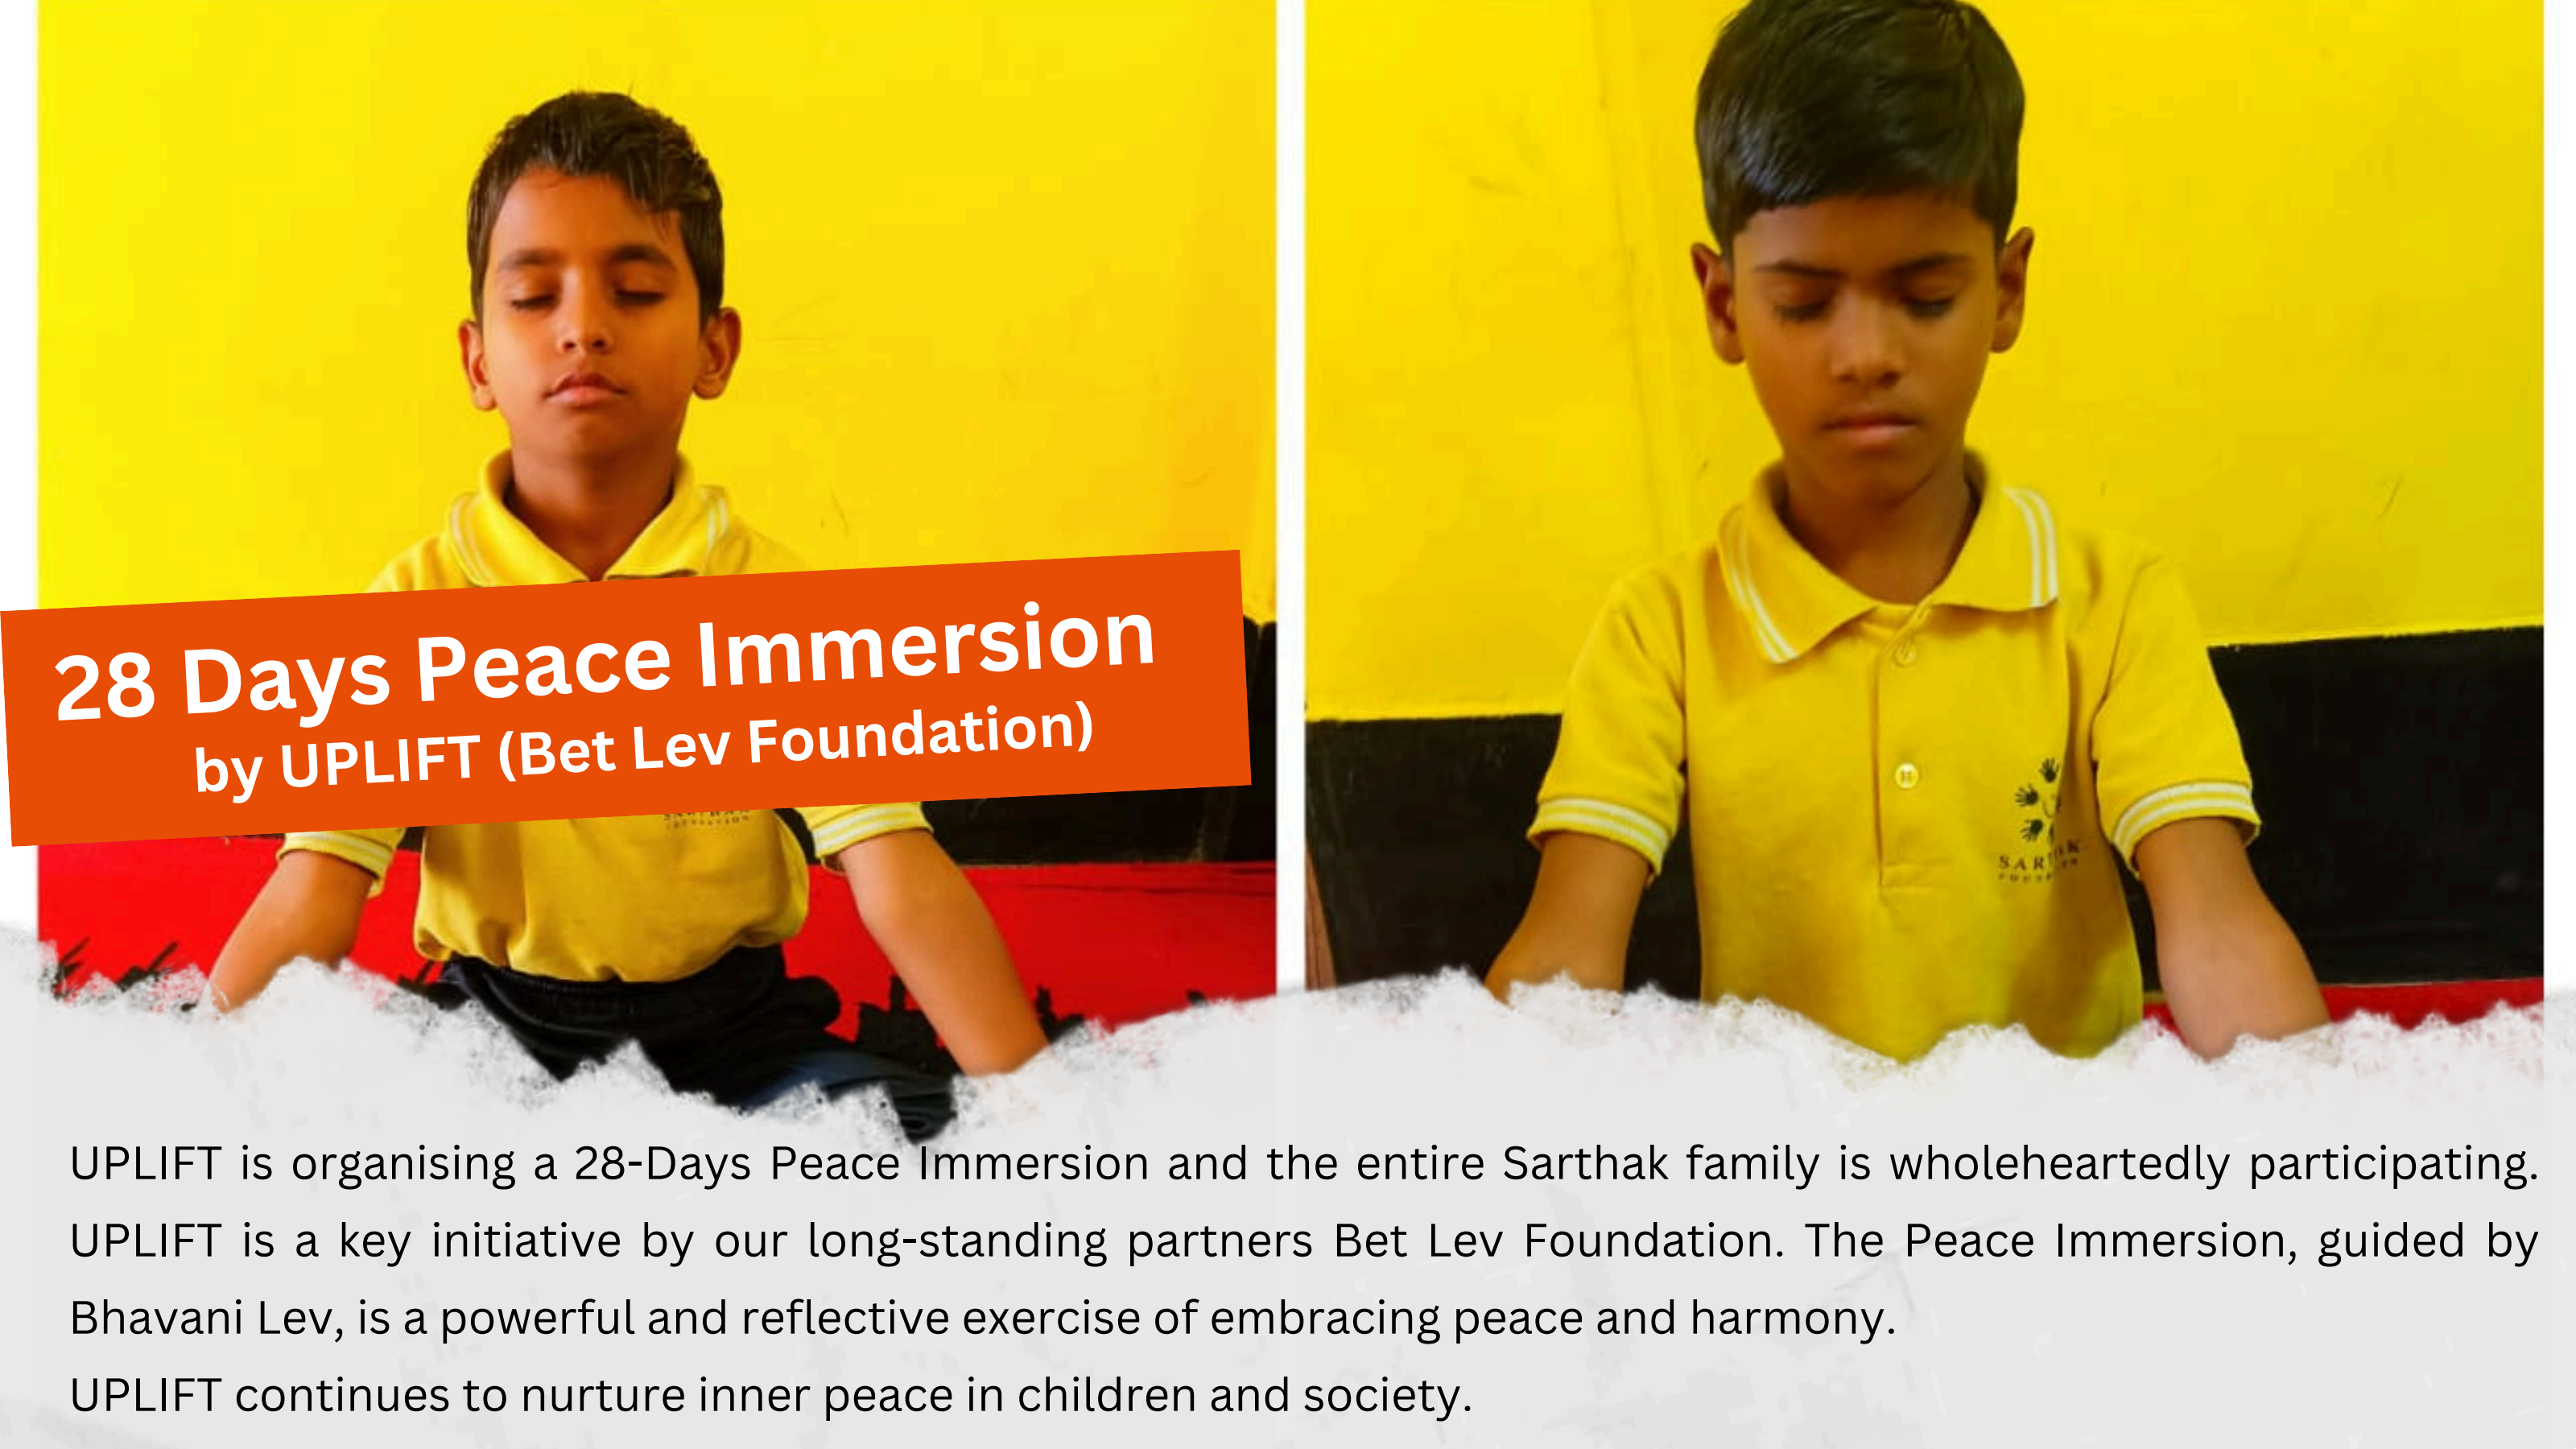

Ms. Sujatha Narayan
Senior Vice President:
Wabtec Corporation

Equality and empowerment define Sarthak, and the visit of Sujatha Narayan, India Region Leader of Wabtec Corporation and Managing Director of Faiveley Transport, reaffirmed this belief. Her inspiring journey as a trailblazer in a male-dominated industry resonated deeply with our children, especially the girls, showing them that courage and hard work can shatter barriers.

Leaders like Ms. Narayan ignite our mission to build a brighter, more equal future.

We are beyond grateful for Wabtec's unwavering support, which has helped us reach 2410 children, 75% of whom are girls. Through two Yellow Rooms and four Yellow SLATEs, their impact has been immeasurable.
