Little Iqra is shining bright in school with her exceptional performance and steadfast commitment to her studies.

Our girls are more than just students of Yellow rooms; they are first-generation learners breaking through barriers that have existed for generations.

**Our distinguished guests.** ✨ ✨

**We are honored to welcome our esteemed guests, Mr. Rajesh Nambiar, President of NASSCOM, and Ms. Trupti Sridhar, Talent Acquisition Advisor at Dell Technologies. Their presence highlights the impactful work of Yellow Rooms and marks a breakthrough moment for our children to engage with such inspiring leaders.**

**We are extremely thankful to our advisor, Mr. M.C. Ramesh, who brought them to Sarthak and whose leadership and unwavering support continue to guide us.**

**This Diwali, our hearts feel warmer and our smiles grow brighter.**

In one of the most heartwarming gestures, Team Encardio gifted six bicycles to our girls, empowering them with safe, reliable transportation to school and beyond.

**Encardio**

**Thank you, Encardio, for riding alongside us on this journey!**

**V-Beyond has been a steadfast supporter and a driving force behind our mission. Their generosity brought smiles and warmth to our communities as they distributed rations and food packages among the children, filling the Yellow Rooms with joy. It truly felt as if Diwali had arrived early, lighting up lives with hope and happiness.**

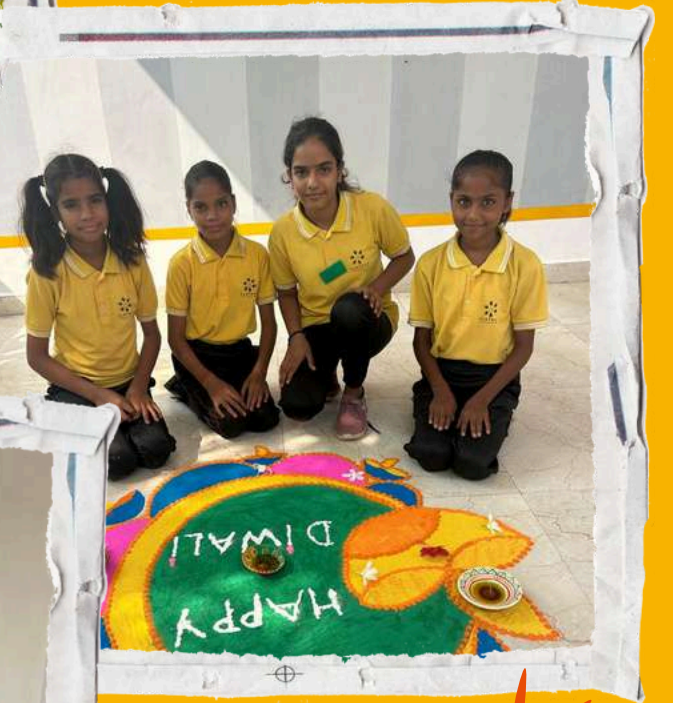

Meet Gayatri, Umra, and Prastuti—the pride of Gurukul. Now studying at **Avasara Girls** and **HCL Vidya Gyan**, they returned this **Diwali** to inspire the next generation, reconnecting with the family that sparked their dreams.

Once confined to their **villages**, they broke barriers, **excelled academically**, and earned places at **top boarding schools**. Their journey exemplifies courage, dedication, and the **transformative power of education**.
