# Music, Joy & A Global Family Coming Together

**UPLIFT**  
*Love in Action*

The Uplift and Sarthak families came together, held in the sacred energy of Navratri. The day carried a deeply spiritual essence from Bhavani's profoundly moving meditation on joy, peace, and our connection to Mother Earth to Kristin Hoffmann's divine music, especially "The Shanti Song", which transported us to another world.

# A Celebration Beyond What We Could Imagine

From the U.S.A, Australia, Israel, and beyond, the presence of so many loving souls reminded us how incredibly fortunate we are to be surrounded by people who believe in us, support us, and walk this journey with us. Over shared meals, conversations, laughter, and connections, we felt an overwhelming sense of gratitude.

**Uplift has been a steadfast part of our journey for years, and Peace Immersion practices have now become an integral part of the Yellow Rooms curriculum. Together, we share a vision of spreading joy, peace, and love, and feel deeply grateful to be walking this journey as one family.**

**Celebrating Sarbhak's 13th anniversary amidst laughter, music, love, and shared joy made it truly unforgettable.**

**Another moment that truly stayed with us was when we paused and realised just how blessed we are to have YOU- our incredible supporters by our side.**

**As we had shared earlier, we faced an urgent funding gap at the end of the last financial year. In that challenging time, our long-standing supporters stepped forward once again, joined by new well-wishers, helping us navigate it with unwavering faith.**

**Each contribution- big or small- became a pillar of strength for us.**

**Thank You**

**And as we stepped into our 14th year, our hearts are filled with deep gratitude, joy, and humility. More than ever, it has strengthened our belief in our work and in the meaningful relationships we have built along the way.**
